About the Event

 **Marriott Fort Collins**
Fort Collins, Colorado, U.S.A.

JUNE 15-20, 2025

By joining forces this year, FPS and SWST are proud to present a joint convention that is guaranteed to offer an incredible value to Society members, academics and industry personnel alike!

This Joint Convention promises discussions on the state of forest products research and provides continued education about innovations by leading industry experts.

Organizers are dedicated to encouraging and facilitating the development and application of technical knowledge that will enable its attendees to derive maximum benefit from renewable wood-based materials and forest products.

Wood for a Sustainable Future: Strengthening the Connection between Industry and Science

Organized Technical Sessions From Both Professional and Academic Aspects

A leader for advancing the sustainable use of renewable cellulosic resources through science and technology, the **Forest Products Society** is an international not-for-profit technical association founded in 1947 to provide an information network for all segments of the forest products industry. Membership is open to all interested individuals and organizations.

**SOCIETY OF
WOOD SCIENCE &
TECHNOLOGY**

The **Society of Wood Science & Technology (SWST)** is an internationally-recognized professional organization of wood scientists, engineers, marketing specialists and other professionals concerned with lignocellulosic materials. SWST members develop, maintain, and advance the educational, scientific, and ethical standards that define the profession; and advocate the socially responsible production and use of wood and other lignocellulosic products.

Student Sponsorship

Join us in making a meaningful impact on the next generation of scholars.

A \$1,000 student sponsorship provides an accessible way to demonstrate your dedication to student success through logo placement and public acknowledgment. **Student sponsorships** are unlimited and **provide grants** for students to **travel to the convention and help cover the cost of attendance.**

Student Sponsorship allows organizations to display their support for student achievements and innovation.

With the **single availability** of one the **\$7,500 student poster competition sponsorship**, allows your organization to stand out as a **key supporter of educational growth**. Your logo will be featured in a highly visible area, as well as all over convention promotional materials, ensuring that attendees **recognize your commitment to fostering academic excellence.**

Additionally, the chance to **provide a judge** and **present awards** during the Thursday luncheon offer a unique platform to **engage with emerging talent and celebrate their accomplishments firsthand.**
